A MESSAGE FROM PREMIER DOUG FORD

I'm delighted to extend greetings to everyone taking part in the 52nd Annual Spring Conference of the Society of Teachers of Family Medicine.

As Premier of Ontario, I'm pleased and so excited that our province is hosting this conference. I want to thank everyone who helped to make it a success, including the people at the Society of Teachers of Family Medicine, and the event's sponsors and speakers. You've given delegates and special guests a terrific opportunity to share ideas about advancing excellence in family medicine education.

My team and I are committed to respecting and encouraging Ontario's doctors, nurses and other health-care practitioners by working collaboratively with them to make sure we have a system that works efficiently for patients and families.

And to all those who made the journey to Toronto, welcome! I hope you enjoy your stay in our province's capital, and have the chance to take in some of the city's exciting attractions.

I hope you have a productive and successful conference.
