Create a Profile on stfm.org

If you don't already have an STFM account, go to www.stfm.org to create one. The email address you use at this stage will be your username.

1. Click "My Account" at top right. Here is a [shortcut](#) to that page.
2. Click *Create an Account* at the bottom (screenshot below).

A screenshot of the STFM (Society of Teachers of Family Medicine) login and registration page. The page has a dark blue background. At the top center is the STFM logo, which consists of a stylized human figure with arms raised, followed by the text "STFM" in large blue letters and "SOCIETY OF TEACHERS OF FAMILY MEDICINE" in smaller white letters below it. Below the logo are two white input fields: the first is labeled "Username (email)" and the second is labeled "Password". Below these fields is a blue button with the text "Login" in white. At the bottom of the form area, there are two links in white text: "Forgot Password?" and "Create a New Account".

This creates a user profile on stfm.org that will grant access to the online course.

If you already have an STFM account, log in at www.stfm.org.
